

Dear All Orinda Reunion Enthusiasts!

At last we're about to really get rolling.

Last week I was able to secure Orinda Park and Rec approval for the Saturday night in front of the Community Center (road closure still working its way through the Planning Department) and the Sunday Afternoon Family Picnic on the Pine Grove playfields.

Now we need people to start taking up specific tasks.

1. We need 1 or 2 representatives from each class that I can forward our latest list to to help find missing persons. I may have info for a brother or sister or close friend that can help us locate as many people as possible.
2. We need Party Producers to help set up our proposed Friday night parties at various pool clubs, i.e Park Pool, Sleepy Hollow Pool, Meadow Pool, etc.

Later on we'll need more volunteers to staff the various events and help with the mailing party and so on.

Lots of opportunities to help will be available.

Just let me know if you'd like to plug in and we'll take it from there!

Yours truly,

Jim Benney
